## Past Performances Examples|

### Human Resources Consulting|

Our organization has consistently delivered exceptional services to a property management company employed by one of the largest nonprofit organizations in Baltimore, Maryland. Our provision of temporary and permanent placement services for their maintenance, sanitation/housekeeping, and security departments has been instrumental in optimizing their workforce. Additionally, our comprehensive human resources consulting, specializing in general HR matters, has resulted in a notable decrease in turnover rates for the client. Our commitment to excellence and personalized approach has consistently yielded positive outcomes, fostering a mutually beneficial partnership.

### Vendor Services (Commercial Cleaning) |

Millennial Management has consistently exceeded expectations in delivering top-notch services to our client out of Hyattsville, MD. Our provision of commercial cleaning vendor services for non-production areas to include offices, breakrooms, and employee locker rooms has been exemplary. The exceptional cleanliness and maintenance standards we uphold has significantly contributed to our client's positive reputation, leading to them being awarded more clients of their own. Our commitment to excellence and attention to detail has been instrumental in fostering a long-standing and successful partnership.
